Place: Plymouth Public Library
132 South Street
Plymouth, Massachusetts

CART will
be provided!

- ♦ **Trouble understanding what's being said in meetings or in large groups?**
- ♦ Does your family tell you the TV is too loud?
- ♦ **Are you afraid to talk on the telephone because you won't understand?**

Hearing Assistive Technology can help!

Hearing aids and cochlear implants are one example of Hearing Assistive Technology (HAT) but for some people, in certain situations it's just not enough. Come learn about different technology available and see some items demonstrated!

RSVP to Sandy at
sspekman@gmail.com so we
know how many to expect.
